DEFINITIONS

1. Special Circumstances: Special circumstances, covering a range of unexpected, extenuating and compassionate circumstances, are those which were outside the control of the student and/or for which there was no opportunity to prepare in advance.

Unexpected or exceptional circumstances include:

- Medical circumstances: an unexpected illness, a recurrence of a chronic illness or an accident
- A disability or illness for which a variation has already been made will not be accepted unless the disability has been compounded by an unexpected change, or an additional condition

Supporting documentation must take the form of an original certificate or letter on letterhead from a registered treating medical practitioner, registered health practitioner or approved specialist, depending on the nature of the condition.

Compassionate circumstances:

- Hardship or trauma such as the death or serious illness of a close family member, severe disruption to domestic arrangements, being a victim of crime or an accident

Supporting documentation may take the form of a letter from a registered counsellor who has prior knowledge of the student and their circumstances; an original medical certificate or letter on letterhead from a registered treating medical practitioner, registered health practitioner or approved specialist, depending on the nature of the condition; a letter from a person qualified to assess and support the application (eg clergy providing grief counselling); or a certificate from a funeral director or death notice.

Supporting documentation will not be accepted from a relative or personal friend of the student, or friend of the student’s family.

Special circumstances:

- religious observance or obligations
- formal legal commitments
- military service
- service with a recognised emergency management service
- representing FLI
- unforeseen and significant employment related circumstances such as an overseas or interstate move at short notice
Supporting documentation for this can include: a certified call from the Australian Defence Force service, a description of the emergency attended for State Emergency Service or Country Fire Service personnel, an original letter confirming changed employment circumstances, an original letter confirming commitments for athletes and performing artists, a copy of an accident report or a court summons.

Supporting documentation will not be accepted from a relative or personal friend of the student, or friend of the student’s family.

**RESPONSIBILITIES**

The responsibility for implementing the requirements of this procedure rests with the RTO Operations Manager, Compliance Officer and the Administration and Student Mentor Teams.

**Overarching principles**

A student seeking to extend their semester/course end date must complete the Semester Extension Application Form. A request to extend the semester end date can be made at any time.

The permission to extend a semester/course end date cannot be granted for more than 3 months.

Students are only able to request a semester/course extension once and for the maximum period of time listed above, unless they are able to demonstrate special circumstances.

**Procedure**

1.1 Students seeking to extend their semester/course end date must submit a Semester Extension Application Form

1.2 Applications will be entered into the student management system upon receipt and a copy will be kept on the student’s file

1.3 The FLI Operations Manager (or delegated nominee) will review the application. The decision to approve an extension will be made at their discretion

1.4 The student will be advised in writing of the outcome within 10 working days
